Re: Request for the Statement of Results (Transcript) –MUTUYIMANA Eugene-221003870

Dear Secretary,

I am writing to request the provision of my statement of results as I am currently in my final year pursuing BIT.

As I approach the completion of my undergraduate studies, I am in the process of applying for master's degree programs. To fulfill the application requirements, I am in need of my statement of results for the courses I have already taken.

I kindly request your assistance in obtaining my statement of results in advance. This will enable me to meet the early application deadlines and ensure a smooth submission process.

I am grateful for your attention to this matter and appreciate your assistance in providing the necessary documentation.

Thank you very much for your time and consideration. I look forward to your positive response.

Yours sincerely,

MUTUYIMANA Eugene
